How to Add an Event to your Mobile Device
• Once you have downloaded the MyEvents2Go app on your phone, you will need to add the Event.
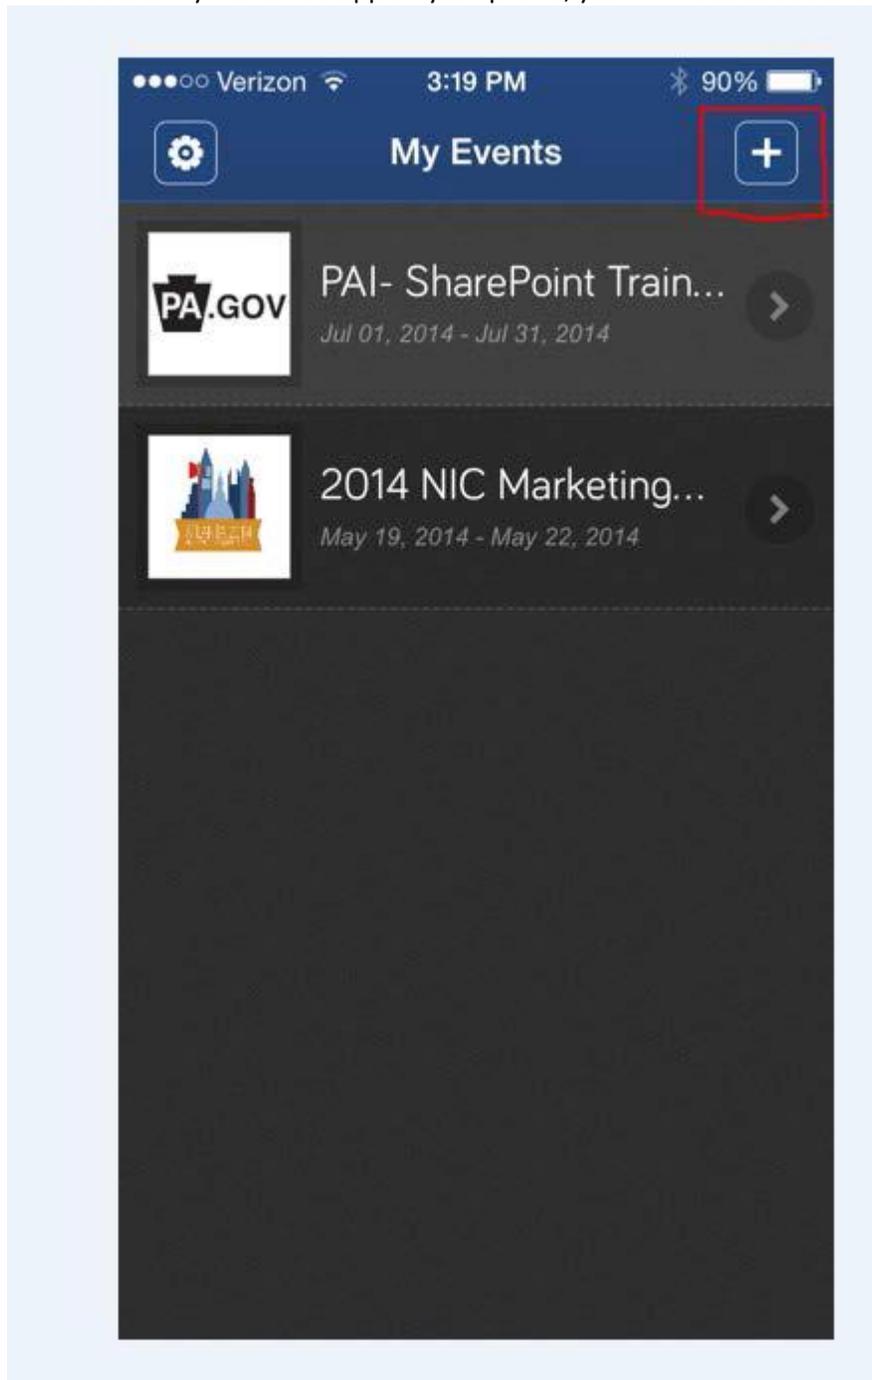

• Click on the + sign

How to Add an Event ➔ Search for Event

• Next you will need to search for the Event.

• Type in CJAB and click the "Search" button at the bottom of your screen.
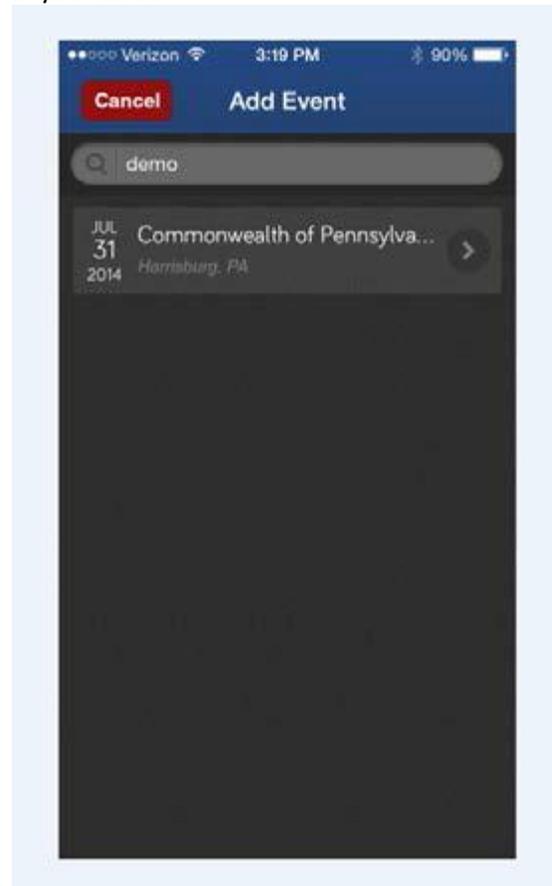

• Click on the Event and it will take you to the Event Details

How to Add an Event ➔ Add Event

• You will now see more details of the Event.

• The conference does not require a Pin. Click the "Add" button

Event Added → Accessing Event Information

• Now that you have added the Event, you will see it on your My Events homepage. Please note, that there is a "1" next to the Event. That means you have a message waiting for you!

• Click on the Event and you are ready to go!
